Help Us Grow Campaign

How many phone calls would you say Indy Legal Aid receives in one year from individuals needing our assistance? Just guess – 10,000; 15,000; 20,000? Try an average of 35,000 calls each year. From those 35,000 calls, we are able to help an average of 5,000 people annually.

To help more vulnerable and marginalized individuals, we need your

help to fund more attorneys and staff. Thus, our **Help Us Grow Campaign**.

Your gift will benefit children and their caretakers, the elderly and disabled, and low-income individuals who otherwise would not receive legal assistance. In donating to Indy Legal Aid, your gift will help to promote economic self-sufficiency, preserve dignity, and strengthen our neighborhoods and communities.

Since 1941 Indy Legal Aid has provided immediate, direct civil assistance at no charge to approximately 5,000 low-income individuals each year. In 81 years, that is more than 400,000 Hoosiers whose lives were changed for the better.

Please check out our agency video [here](#) that will give you more perspective regarding the issues facing our clients.

We are your local, non-federally funded legal aid organization and we hope you will help us grow our much-needed services that are critical to thousands of our low-income neighbors.

In a recent study, Fidelity Charitable found crypto owners to be more charitable than the typical investor, but 46 percent of these donors noted it was difficult to find nonprofits that accept cryptocurrency donations.

Indy Legal Aid is working with a nonprofit called **Every.org** that is handling these donations converting crypto to dollars. There is no fee and the conversion rate is just 1%.
