Indianapolis Legal Aid Society 2015 Annual Report

The Indianapolis Legal Aid Society believes that everyone has the right to legal assistance, regardless of their ability to pay. We believe that having a functioning legal system for all citizens is requisite for a civilized society — and for a world class city like Indianapolis — just as much as a symphony, access to health care, museums, and good schools.

MISSION: *The Indianapolis Legal Aid Society is dedicated to ensuring that qualified low-income persons living in the Central Indiana community have immediate and direct access to quality legal assistance for civil disputes.*
