YOU HAVE A VOICE. VOTE.

YOU HAVE THE RIGHT TO...

- Vote privately and independently.
- Assistance if you require it to vote (must be requested before you enter the voting booth).
- An accessible polling location. All locations must be accessible and have at least one accessible machine.
- Vote absentee: **1)** Absentee in-person (early voting); **2)** Absentee by mail; **3)** Absentee by traveling board.

DID YOU KNOW?

- You do NOT need a home to vote. You may list your permanent address as the shelter you stay at or the street intersection near where you sleep. If you stay in multiple locations, choose the location where you are **most often**.
- If you have been in prison, you have the right to vote once you are released. If you were registered to vote prior to being in prison, you will need to re-register at least 30 days before Election Day.
- If you do not have a government-issued photo ID, you have the right to request a free voter registration card to use instead. An application may be obtained from visiting the Bureau of Motor Vehicles (BMV). Bring your birth certificate, Social Security card, and two pieces of mail that you have received in the last 60 days. If you cannot provide mail, you may prove your residency by providing a residence affidavit, which you can request from the staff of a shelter or resource organization. You will also need to provide a mailing address to receive your voter registration card. If the mail cannot be delivered, the post office will send back the card and the registration will be cancelled.
